

# Manhattan Scientifics Updates its Previous July 19th Press Release

## Breakthrough Device for Detection of Cancer

July 22, 2019

NEW YORK--Manhattan Scientifics clarifies that it continues to own 64 million shares of Imagion Biosystems Ltd (ASX: IBX). Neither MHTX nor its management have sold any MHTX or IBX shares and have no present intention to do so.

This clarification is published as a result of recent unusually large trading in both MHTX and IBX on July 18 and 19. MHTX traded 17.1M shares and IBX traded 153.5M shares during the two day period.

### ***About Manhattan Scientifics***

Manhattan Scientifics Inc. ([www.mhtx.com](http://www.mhtx.com)) is focused on commercialization of disruptive technologies in the nano medicine space.

### ***Forward-looking statement***

This press release contains forward-looking statements. Such forward-looking statements are subject to a number of risks, assumptions and uncertainties that could cause the Company's actual results to differ materially from those projected in such forward-looking statements. Forward-looking statements speak only as of the date made and are not guarantees of future performance. We undertake no obligation to publicly update or revise any forward-looking statements.
