

Manhattan Scientifics Initiates Investor Relations Program

**Premier Media Services Inc. of Mesa, Arizona Appointed
September 11, 2009**

LOS ALAMOS, N.M.--Manhattan Scientifics, Inc. (OTCBB:MHTX) announced today that it has initiated its investor relations program with the appointment of Premier Media Services, Inc.

Marvin Maslow, Chairman Emeritus and Director of Investor Relations said, “We have made significant progress with our business-model; we are commercializing leading edge technologies in association with the Los Alamos National Laboratory. Our appointment of Kelly Black’s firm is intended to raise awareness of our work throughout the financial community.”

Kelly Black said, “Based upon our meetings with management and review of their recent activity, we are convinced that Manhattan has the ability to recover past shareholder values.”

About Manhattan Scientifics, Inc. OTCBB: MHTX, located in New York, New Mexico, and Montreal has the goal to advance and commercialize disruptive technologies to create profit for its shareholders.

Manhattan Scientifics owns the exclusive, perpetual U.S. license to a family of patents which will enable the manufacture and marketing of super strong, ultra light-weight “nanostructured” metals that have been developed at the Los Alamos National Laboratory (LANL) and in the former Soviet Union. These metals defy the rules that have limited the capability of all other metals. See the video on the Company’s website: www.mhtx.com, go to “Media”. The Company’s process will enable double-strength metals and alloys, i.e. aluminum as strong as steel, with a fraction of the weight.
